

STAFF REPORT

MEETING DATE:	April 28, 2015
SUBJECT:	Approve Technical Services Agreement for Architecture and Engineering Services
AGENDA ITEM:	5-11
STAFF CONTACT:	Sean Tiedgen, AICP, Senior Transportation Planner

STAFF RECOMMENDATION:

It is recommended that the board of directors authorize the executive director to execute a technical services agreement with Nichols, Melburg & Rossetto for architecture and engineering services not to exceed \$39,200.

DISCUSSION:

SRTA purchased the building at 1255 East Street on April 15, 2015. Parking and sidewalk improvements, interior remodeling, and building repairs are necessary to comply with the Americans with Disabilities Act and meet the operational needs of SRTA and any new tenants. Improvements may also include energy efficiency and HVAC upgrades, budget permitting. Kibler & Kibler Architecture and Engineering completed preliminary design and cost estimates for these improvements, estimated at \$384,953.

A Request for Proposals (RFP) was issued to three local firms on March 24, 2015, for final design, construction documents, bidding services, and support during construction. One proposal was received from Nichols, Melburg & Rossetto for \$30,800. This was below SRTA's estimate of \$38,500. Two options were identified during negotiations: Option A) \$6,000 for unforeseeable and unexpected work, and Option B) \$2,400 for structural engineering services if an additional HVAC unit is necessary. Both options would require approval by the executive director before any work could be done. Nichols, Melburg & Rossetto is recommended based on overall value and the ability to provide a "turn-key" approach for architecture and engineering services, from design through construction.

ALTERNATIVES:

The board of directors may modify the contract scope of work and terms, or circulate another RFP.

FINANCING:

Architecture and engineering services will be funded by SRTA cash reserves and recovered through SRTA's various revenues and grants as part of the Indirect Cost Allocation Plan. Financing for the building purchase included \$285,000 for some site and building improvements based on early estimates. Other funds may be necessary to complete construction or the scope of work may need to be reduced. Refined construction estimates will be provided to the board of directors prior to putting the project out to bid.

With respect to item 6.B) iv): SRTA shall require notice of project manager revisions within 7 days of the change.

Under a termination for default, SRTA is not liable for the Consultant's costs on undelivered work and is entitled to the repayment of advance and progress payments, if any, applicable to that work.

C) Termination for Cause – If Consultant materially fails to perform duties to the satisfaction of SRTA or if Consultant fails to fulfill in a timely and professional manner obligations under this agreement, or if Consultant violates any of the terms or provisions of this agreement, then SRTA shall have the right to terminate this agreement for cause effective immediately upon SRTA giving written notice thereof to Consultant. If termination for cause is given by SRTA to Consultant and it is later determined that Consultant was not in default or the default was excusable, then the notice of termination shall be deemed to have been given without cause pursuant to paragraph D of this section.

D) Termination without Cause – SRTA may terminate this agreement without cause on 30 days' written notice to Consultant. SRTA shall pay Consultant for all work satisfactorily completed as of the date of notice.

E) Immediate Termination – SRTA may terminate this agreement immediately upon oral and/or written notice should funding cease, or be materially decreased, during the term of this agreement.

F) Stop Work Order – SRTA may, in order to investigate a possible deficiently-performing consultant or, in some instances protect itself and/or consultant from

financial risk associated with lapsed funding, may request a stop order on all consultant work associated with this agreement. Such stop work order will be delivered in writing to the consultant and shall be effective immediately.

G) SRTA's right to terminate this agreement may be exercised by the Executive Director, or his/her designee.

H) Disposition of, Title to and Payment for Work upon Expiration or Termination –

Upon expiration of this agreement or termination for cause or termination for the convenience of a party, all finished or unfinished documents and other materials (e.g. finished and unfinished reports, data, studies, photographs, charts, and other documents), if any, and all rights therein shall become, at the option of SRTA, the property of and shall be promptly returned to SRTA, although Consultant may retain a copy of such work for its personal records only. Unless otherwise expressly provided in this agreement, any copyrightable or patentable work created by Consultant under this agreement shall be deemed a "work made for hire" for purposes of copyright or patent law and only SRTA shall be entitled to claim or apply for the copyright or patent thereof.

Any dispute between Consultant and SRTA relating to the implementation or administration of this agreement may be attempted to be resolved through the following process:

- A) The parties shall first attempt to resolve the dispute informally in meetings or communications between Consultant and SRTA. If the dispute remains unresolved fifteen (15) days after it first arises, Consultant may request that SRTA issue a recommended decision on the matter in dispute. The SRTA project manager shall issue the recommended decision in writing and provide a copy to Consultant.
- B) The recommended decision of the SRTA project manager shall become final unless, within fifteen (15) days of receipt of such recommended decision, Consultant submits a written request for review to the SRTA executive director. In connection with any such review, Consultant and SRTA shall be afforded an opportunity to be heard and to offer evidence on the issues presented. If the dispute remains unresolved after review by the executive director, either party may seek judicial resolution of the dispute in an appropriate court within Shasta County, California.

- C) Pending final resolution of a dispute under this section, Consultant shall proceed diligently with performance in accordance with this agreement and SRTA's recommended decision.

8. ENTIRE AGREEMENT; AMENDMENTS

- A) This agreement supersedes all previous agreements relating to the subject of this agreement and constitutes the entire understanding of the parties hereto. Consultant shall be entitled to no other benefits other than those specified herein. Consultant specifically acknowledges that in entering into and executing this agreement, Consultant relies solely upon the provisions contained in this agreement and no others.
- B) No changes, amendments, or alterations shall be effective unless in writing and signed by both parties. However, minor amendments which do not result in a substantial or functional change to the original intent of the agreement and do not cause an increase to the maximum amount payable under this agreement may be agreed to in writing between Consultant and the executive director. If the proposed minor amendment alters the project schedule, a revised project schedule will be required from the Consultant for this agreement.
- C) The headings that appear in this agreement are for reference purposes only and shall not affect the meaning or construction of this agreement.

9. NONASSIGNMENT OF AGREEMENT; NON-WAIVER

Inasmuch as this agreement is intended to secure the specialized services of the Consultant, Consultant may not assign, transfer, delegate or sublet any interest herein without the prior written consent of SRTA. The waiver by SRTA of any breach of any requirement of this agreement shall not be deemed to be a waiver of any other breach.

10. EMPLOYMENT STATUS OF CONSULTANT

Consultant shall, during the entire term of this agreement, be construed to be an independent contractor and nothing in this agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow SRTA to exercise discretion or control over the professional manner in which Consultant performs the services which are the subject matter of this agreement; provided, however, that the services to be provided by Consultant shall be provided in a manner consistent with the professional standards applicable to such services. The interest of SRTA is to ensure that services shall be rendered and performed in a competent, efficient, timely and satisfactory manner. Consultant shall be fully responsible for payment of all taxes due to the State of California or the federal government which would be withheld from compensation if Consultant were an SRTA

employee. SRTA shall not be liable for deductions for any amount, for any purpose, from Consultant's compensation. Consultant shall not be eligible for coverage under SRTA workers' compensation insurance plan nor shall Consultant be eligible for any other SRTA benefit. Consultant must issue W-2 and 941 Forms for income and employment tax purposes, for all of Consultant's assigned personnel under the terms and conditions of this agreement.

11. INDEMNIFICATION

Consultant shall defend, hold harmless, and indemnify SRTA, its elected officials, officers, employees, and agents against all claims, suits, actions, costs, expenses (including but not limited to reasonable attorney's fees of SRTA counsel and counsel retained by SRTA, expert fees, litigation costs, and investigation costs), damages, judgments, or decrees by reason of any person's or persons' injury, including death, or property (including property of SRTA) being damaged by the negligent acts, willful acts, or errors or omissions of the Consultant or any of Consultant's subcontractors, any person employed under Consultant, or under any subcontractor, or in any capacity during the progress of the work, except when the injury or loss is caused by the sole negligence or intentional wrongdoing of SRTA. Consultant shall also defend and indemnify SRTA for any adverse determination made by the Internal Revenue Service or the State Franchise Tax Board and/or any other taxing or regulatory agency and shall defend, indemnify and hold harmless SRTA with respect to Consultant's "independent contractor" status that would establish a liability on SRTA for failure to make social security deductions or contributions or income tax withholding payments, or any other legally mandated payment.

For professional services provided under this agreement, Consultant shall indemnify, defend, and hold harmless SRTA, its elected officials, officers, employees, agents, and volunteers from and against any and all claims, demands, actions, losses, liabilities, damage, and costs, including reasonable attorneys' fees, arising out of or resulting from the negligent performance of the professional services provided under this agreement.

12. INSURANCE COVERAGE

- A) Consultant and any subcontractor shall obtain, from an insurance carrier authorized to transact business in the State of California, and maintain continuously during the term of this agreement Commercial General Liability Insurance, including coverage for owned and non-owned automobiles, and other insurance necessary to protect SRTA and the public with limits of liability of not less than \$1 million combined single limit bodily injury and property damage; such insurance shall be primary as to any other insurance maintained by SRTA.
- B) Consultant and any subcontractor shall obtain and maintain continuously required Workers' Compensation and Employer's Liability Insurance to cover Consultant, subcontractor, Consultant's partner(s), subcontractor's partner(s), Consultant's

employees, and subcontractor(s) employees with an insurance carrier authorized to transact business in the State of California covering the full liability for compensation for injury to those employed by Consultant or subcontractor. Consultant hereby certifies that Consultant is aware of the provisions of section 3700 of the Labor Code which requires every employer to insure against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and Consultant will comply with such provisions before commencing the performance of the work of this agreement.

- C) Consultant shall obtain and maintain continuously a policy of Errors and Omissions coverage with limits of liability of not less than \$1 million.
- D) Consultant shall require subcontractors to furnish satisfactory proof to them that liability and workers' compensation and other required types of insurance have been obtained and are maintained similar to that required of Consultant pursuant to this agreement. Consultant shall not allow any contract or subcontract to continue without proper insurance in effect after notification of the lapse of requisite insurance.
- E) With regard to all insurance coverage required by this agreement:
 - (1) Any deductible or self-insured retention exceeding \$25,000 for Consultant or subcontractor shall be disclosed to and be subject to approval by SRTA prior to the effective date of this agreement.
 - (2) If any insurance coverage required hereunder is provided on a "claims made" rather than "occurrence" form, Consultant or subcontractor shall maintain such insurance coverage with an effective date earlier or equal to the effective date of the agreement and continue coverage for a period of three years after the expiration of the agreement and any extensions thereof. In lieu of maintaining post-agreement expiration coverage as specified above, Consultant or subcontractor may satisfy this provision by purchasing tail coverage for the claims-made policy. Such tail coverage shall, at a minimum, provide coverage for claims received and reported three years after the expiration date of the agreement.
 - (3) All insurance (except workers' compensation and professional liability) shall include an endorsement or an amendment to the policy of insurance which names the *Shasta Regional Transportation Agency (SRTA), its elected officials, officers, employees, agents, and volunteers as an additional insured* and provides that coverage *shall not be reduced or canceled without 30 days written prior notice certain to SRTA*. The Additional Insured coverage shall be equal to Insurance Service Office endorsement CG 20 10 for on-going operations and CG 20 37 for completed operations.

- (4) Each insurance policy (except for workers' compensation and professional liability policies), or endorsement thereto, shall contain a "separation of insureds" clause which shall read:

"Separation of Insureds."

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a) As if each Named Insured were the only Named Insured; and
 - b) Separately to each suit insured against whom a claim is made or suit is brought."
- (5) Consultant shall provide SRTA with an endorsement or amendment to Consultant's policy of insurance as evidence of insurance protection before the effective date of this agreement. The accountant/finance officer, or his designee, shall approve the insurance certificate. A copy of the insurance certificate will be kept in the project file.
- (6) The insurance required herein shall be in effect at all times during the term of the agreement. In the event any insurance coverage expires at any time during the term of the agreement, Consultant shall provide, at least twenty (20) days prior to said expiration date, a new endorsement or policy amendment evidencing insurance coverage as provided for herein for not less than the remainder of the term of the agreement or for a period of not less than one year. In the event Consultant fails to keep in effect at all times insurance coverage as herein provided and a renewal endorsement or policy amendment is not provided within ten (10) days of the expiration of the endorsement or policy amendment in effect at inception of the agreement, SRTA may, in addition to any other remedies it may have, terminate the agreement upon the occurrence of such event and pay in full all contractual invoices for work completed prior to expiration of insurance.
- (7) If the endorsement or amendment does not reflect the limits of liability provided by the policy of insurance, Consultant shall provide SRTA a certificate of insurance reflecting those limits.

13. NOTICE OF CLAIM/APPLICABLE LAW/VENUE

- A) If any claim for damages is filed with Consultant or if any lawsuit is instituted concerning Consultant's performance under this agreement and that in any way, directly or indirectly, contingently or otherwise, affects or might reasonably affect SRTA, Consultant shall give prompt and timely notice thereof to SRTA. Notice shall

be prompt and timely if given within thirty (30) days following the date of receipt of a claim or ten days following the date of service of process of a lawsuit.

- B) Any dispute between the parties, and the interpretation of this agreement, shall be governed by the laws of the State of California. Any litigation shall be venued in Shasta County.

SCOPE OF WORK & PROJECT SCHEDULE

DESIGN DEVELOPMENT

- NMR, Frontier & Pace will provide site visits, as needed, to document existing conditions and to investigate potential issues identified during preliminary design.
- **Prepare design development documents.** Building on the Schematic Design drawings, and incorporating review comments made by SRTA, we will prepare drawings in the Design Development phase, including:
 - code analysis drawings
 - site plan
 - new & demolition floor plan
 - building sections
 - schedules
 - reflected ceiling plans
 - signage plans
 - mechanical plans – Provided by Frontier
 - electrical plans – Provided by Pace
 - plumbing plans – Provided by Frontier
 - energy requirements – Provided by Frontier & Pace
 - selective details
- **Deliverables: (1) Set of 24"x36" - design development drawings.**
- **Prepare a design development cost estimate.** We will provide a cost estimate relative to the drawings and specifications submitted in this phase of the project.
- **Prepare updated project schedule.** At the conclusion of the Design Development Phase of the project NMR will update the project schedule.

CONSTRUCTION DOCUMENTS

- **90% Construction Documents:** Presentation will be made to SRTA. This set of Construction Documents will be essentially complete with the exception of incorporating plan check comments into the documents. These Construction Documents will be submitted to all necessary agencies as the initial submittal for the permitting purposes.
- **Deliverables: (1) Set of 24"x36" - 90% construction document drawings.**
- **100% Construction Documents:** Presentation will be made to SRTA. This set of Construction Documents will include revisions as requested during the permitting process, revisions as required to make the project stay within budget and any additional requests from the City.
- **Deliverables: (1) Set of 24"x36" - 100% construction document drawings.**

- **Complete a final cost estimate of the project.** We will provide an updated cost estimate, based on the 100% Construction Documents.

PERMITTING

- **Collaborate with local permitting agencies to facilitate a smooth permitting process with no surprises.** We prefer to meet with all agencies that will provide input on the final project during all phases of the project. We have found that this approach allows the agencies time to prepare comments at each phase of the project and it allows the City and the Design Team to include any required design changes into the design of the building early in the design process. The final permit set will be the 100% Construction Documents that includes all of the comments from all of the permitting agencies.

BIDDING

- **Negotiation of the project with the Contractor.** After all permits have been secured and assuming that the 100% Construction Documents cost estimate is within the Project Budget, NMR will assist SRTA with the public bid process with the contractor.
- **Prepare and assist with distribution of necessary bid documents.** We will assist in making plans available to bidders.
- **Conduct a pre-bid meeting with potential general and sub-contractors.** In addition to attending pre-bid meetings, we will also assist in making the local contracting community aware that this project is out to bid.
- **Answer questions related to the design documents.** NMR, Frontier & Pace will be available during the bidding process to answer Bid RFI's and substitutions requests.
- **Prepare any addenda documents that may be needed.** During the bid process if clarifications or revisions are required to Contract Documents we will prepare addendums as directed by SRTA.
- **Assist in reviewing bids received.** We will assist SRTA in awarding the contract and help prepare contract documents with chosen bidder.

CONSTRUCTION OBSERVATION

- **Provide support during construction.** NMR will work in cooperation with SRTA and Contractor to ensure that the project is successful, on schedule, and on budget per SRTA standards.
- **Attend construction meetings with SRTA.** We will be readily available for progress meetings during construction and will maintain regular communication.
- **Make site visits to determine compliance with plans and specifications.** NMR, Frontier & Pace will make periodic site visits to assess the progress of construction and answer contractor questions.

- **Design and develop a schedule for access.** We will assist the contractor with a phasing plan to maintain access for all building tenants during construction.
- **Respond to contractor Requests for Information (RFI).** NMR, Frontier & Pace will respond in a timely manner to all questions from the Contractor.
- **Review contractor's submittals.** NMR, Frontier & Pace will review contractor prepared submittals and verify all information is accurate and correct when contractors submit requests for payment.
- **Issue proposal requests and bulletins.** During the course of construction, issues often arise that require additional information to be conveyed from the design team to the Contractor in order to facilitate revisions to the Contract Documents. NMR, Frontier & Pace are prepared to issue Architects Bulletins to the Contractor on the behalf of SRTA during the course of construction.
- **Perform punchlist walkthroughs and oversee project closeout.** As construction is being completed, NMR, Frontier & Pace will conduct a series of walk-throughs to review the building and create a punchlist of items that the contractor will need to remedy.

Attachment C

CPG Subrecipient Responsibilities for DBE include:

- Participation in the race neutral DBE Program when contracting/awarding to subrecipients or planning consultants involving any fraction of federal CPG funds.
- Participation in the race neutral DBE Program even if subrecipients have not contracted out work to sub-recipients or consultants. They must also complete, sign and turn in the FTA DBE Uniform Report form, showing zero dollars. This information will provide necessary data for the federally mandated Caltrans DBE disparity study.
- Completion of the FTA DBE Uniform Report form (*See Attachment D*) twice a year: April 1st and October 1st. The DBE Uniform Report shows the federal dollar amount provided through contract/s as well as DBE participation in these contracts. This information will provide necessary data for the federally mandated Caltrans DBE disparity study and reporting to the FTA. The completed forms are sent to the appropriate HQ ORIP Liaison.
- Development and implementation of a DBE Program following the Caltrans DBE Program Plan, pursuant to the Master Fund Transfer Agreement, Article IV, Section 2. This Plan formally acknowledges the statutory and/or regulatory requirements with its race-neutral measures, and their commitment to comply with all the prescribed responsibilities explained herein.
- Development and maintenance of a Bidder's List, consisting of information about all DBE and non-DBE firms that bid or quote on CPG-assisted contracts. The Bidder's List includes the name, address, DBE/non-DBE status, age and annual gross receipts of firms.
- Inclusion of the following clause is required, verbatim, in each CPG-assisted contract:
 - The contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of United States Department of Transportation-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy, as recipient deems appropriate.

- Inclusion of contractual language specifying prompt payment clauses are required in the foregoing provisions. These prompt payment clauses benefit all subcontractors equally.
 - **Prompt Progress Payment to Subcontractors**—A prime contractor or subcontractor shall pay to any subcontractor not later than 10-days of receipt of each progress payment, in accordance with the provision in Section 7108.5 of the California Business and Professions Code concerning prompt payment to subcontractors. The 10-day rule is applicable unless a longer period is agreed to in writing. Any delay or postponement of payment over 30-days may take place only for good cause and with the agency's prior written approval. Any violation of Section 7108.5 shall subject the violating contractor or subcontractor to the penalties, sanctions, and other remedies of that Section. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to the contractor or subcontractor in the event of a dispute involving late payment or nonpayment by the contractor, deficient subcontractor performance, and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.
 - **Prompt Payment of Withheld Funds to Subcontractors**—The MPO, RTPA or local government entity shall include either (1), (2), or (3) of the following provisions in their CPG-assisted contracts to ensure prompt and full payment of retainage (withheld funds) to subcontractors in compliance with 49 CFR 26.29.
 - 1) No retainage will be held by the agency from progress payments due to the prime contractor. Prime contractors and subcontractors are prohibited from holding retainage from subcontractors. Any delay or postponement of payment may take place only for good cause and with the agency's prior written approval. Any violation of these provisions shall subject the violating contractor or subcontractor to the penalties, sanctions, and other remedies specified in Section 7108.5 of the California Business and Professions Code. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to the contractor or subcontractor in the event of a dispute involving late payment or nonpayment by the contractor, deficient subcontractor performance, and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.
 - 2) No retainage will be held by the agency from progress payments due the prime contractor. Any retainage kept by the prime

contractor or by a subcontractor must be paid in full to the earning subcontractor in 30-days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment may take place only for good cause and with the agency's prior written approval. Any violation of these provisions shall subject the violating contractor or subcontractor to the penalties, sanctions, and remedies specified in Section 7108.5 of the California Business and Professions Code. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to the contractor or subcontractor in the event of a dispute involving late payment or nonpayment by the contractor, deficient subcontractor performance, and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

- 3) The agency shall hold retainage from the prime contractor and shall make prompt and regular incremental acceptances of portions, as determined by the agency of the contract work and pay retainage to the prime contractor based on these acceptances. The prime contractor or subcontractor shall return all monies withheld in retention from all subcontractors within 30-days after receiving payment for work satisfactorily completed and accepted including incremental acceptances of portions of the contract work by the agency. Any delay or postponement of payment may take place only for good cause and with the agency's prior written approval. Any violation of these provisions shall subject the violating prime contractor to the penalties, sanctions, and other remedies specified in Section 7108.5 of the California Business and Professions Code. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to the contractor or subcontractor in the event of: a dispute involving late payment or nonpayment by the contractor; deficient subcontractor performance; and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.
