

REPORT TO SHASTA COUNTY RTPA

SUBJECT	MEETING DATE	ITEM NUMBER
Amendment #1 to the 2006 Federal Transportation Improvement Program (FTIP)	10/24/06	5

RECOMMENDATION

It is recommended that the Agency:

- (1) Hold a public hearing and take testimony on Amendment #1 to the 2006 Federal Transportation Improvement Program (FTIP); and
- (2) Adopt Resolution No. 06-11 approving Amendment #1 to the 2006 FTIP.
- (3) Authorize the Executive Officer to make subsequent minor changes to Caltrans programming amounts consistent with a pending California Transportation Commission (CTC) allocation

SUMMARY

An amendment to the 2006 FTIP has been prepared for consideration by the Agency in conformance with federal regulations. A public hearing is required prior to approval.

DISCUSSION

Transportation projects in Shasta County receiving federal funds must be included in the FTIP. This includes city, county, Caltrans, and RABA projects. The RTPA has little discretion to change project selection and priorities; most are set by the delivering agencies subject to federal funding constraints. Despite having little discretion over federally funded projects, the Agency is obligated to adopt and maintain Shasta County's FTIP.

The purpose of this amendment is to program additional federal funds for the following:

- **Hazard Elimination Program (HES) Lump Sum Program (City of Shasta Lake):**
A City of Shasta Lake HES Project will receive an additional \$742,000 of funds to be programmed this fiscal year, 06/07. The project (currently under construction) will install bike lanes, curb, gutter and sidewalk, and install streetlights on Shasta Dam Blvd (SR 151) between Oregon Avenue and Washington Avenue. The FTIP combines all HES projects into one "lump sum."
- **Rail Crossing Safety Program (City of Redding)**
Caltrans has approved \$500,000 in FFY 06/07 for a Rail Grade Crossing project at the intersection of Yuba Street and Union Pacific Railroad (UPRR) in the City of Redding.

Pursuant to the Agency's Public Involvement Procedures, a public hearing is required to amend the FTIP.

ALTERNATIVES

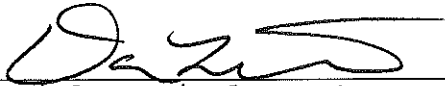

The Agency could decide not to amend the FTIP. This is not recommended since it would result in the withholding of federal funds for the above projects.

OTHER AGENCY INVOLVEMENT

This amendment has been coordinated with the affected agencies. Upon approval by the Agency, the Federal Highway Administration (FHWA) must approve the FTIP amendment. The Technical Advisory Committee (TAC) concurs with the staff recommendation.

FINANCING

This amendment is intended to make the FTIP consistent with federal funds expected to be available over the three-year life of the program.
