

REPORT TO SHASTA COUNTY RTPA

SUBJECT	MEETING DATE	ITEM NUMBER
Receive Presentation by Butte County Association of Governments (BCAG) Executive Director Jon Clark	12/14/10	8

RECOMMENDATION

It is recommended that the board receive a presentation from Jon Clark, Executive Director, regarding Butte County Association of Governments (BCAG).

DISCUSSION

Due to a last-minute emergency, Mr. Clark was unable to speak at our October Regional Government Forum and has agreed to make his presentation to the RTPA board.

State and federal regulations allow broad flexibility regarding the organizational structure of Regional Transportation Planning Agencies, Metropolitan Planning Organizations, and transit agencies. The way in which regions go about their business is unique among every agency. Sharing information among regions can foster ideas for greater government efficiency. Mr. Clark will share BCAG's history and perspective.
