SUBJECT: SRTA MPO 2017 FTIP/FSTIP AMENDMENT NO. 2

Dear Mr. de Terra:

We have completed our review of Amendment No. 2 to the Shasta Regional Transportation Agency (SRTA) 2017 Federal Transportation Improvement Program (2017 FTIP) that was submitted with your letter dated March 8, 2017. Amendment No. 2 to the SRTA 2017 FTIP was approved on March 3, 2017 by the SRTA Executive Director in accord with the delegation of authority provided by the SRTA Board of Directors by SRTA Resolution #13-14, dated December 10, 2013. This SRTA FTIP amendment modifies the individual project listing for RABA Capital Vehicles, and modifies grouped project listings for: Operating Assistance to Transit Operators, Highway Bridge Rehabilitation and Reconstruction Program, and the Highway Safety Improvement Program.

Pursuant to the *December 15, 2014, Memorandum of Understanding between the Federal Highway Administration (FHWA), California Division, and the Federal Transit Administration (FTA), Region IX*, we accept the proposed modifications to the 2017 FTIP/FSTIP for the SRTA Metropolitan Planning Organization (MPO) region in accordance with the *Final Rule on Statewide and Nonmetropolitan Transportation Planning; Metropolitan Transportation Planning* that was published in the Federal Register on May 27, 2016. We find that the SRTA MPO's 2017 FTIP, including Amendment No.2, was developed through a continuing, cooperative and comprehensive transportation planning process carried out in accordance with the metropolitan planning provisions of 23 U.S.C. 134, and 49 U.S.C. Chapter 53 as amended by Public Law 114-94, the "*Fixing America's Surface Transportation Act*" (FAST Act).

The changes proposed to the Federal Statewide Transportation Improvement Program (FSTIP) by this amendment are associated with projects that are either exempt from the requirements to

determine conformity pursuant to 40 CFR 93.126 or 93.127; or are proposed for implementation in areas of the State of California that are designated as attainment or unclassified for Federal Air Quality Standards, and as a consequence, are not subject to the requirement that an air quality conformity determination be made.

If you have questions or need additional information concerning our approval of this FSTIP amendment, please contact Jerome Wiggins of the FTA Region IX Office at (415) 734- 9575, or by email at Jerome.Wiggins@dot.gov; or Wade Hobbs of the FHWA California Division office at (916) 498-5027, or by email at Wade.Hobbs@dot.gov.

Sincerely,

A handwritten signature in cursive script, appearing to read "Wade Hobbs".
