

Request for Proposals: SR 273 Multimodal Corridor Plan

Questions from the Pre-proposal Meeting

The meeting in its entirety was recorded and is available for viewing online <https://www.youtube.com/watch?v=9zeNs9hhuu9U>. Questions from the meeting (edited for clarity) are below, along with links to the timecode of the response.

Q1. Could you elaborate on the special studies (or areas of special interest) that might be requested as part of this process that were discussed in the RFP?

A1. [Answer in full from [3:26](#) to 14:39]

Q2. What are your thoughts regarding community engagement and “meeting fatigue?”

A2. [Answer in full from [15:48](#) to 19:52]

Q3. Could you talk about the engagement you are looking for with the Native American community?

A3. [Answer in full from [20:17](#) to 23:08]

Q4. The scope mentions consultants are expected to partner with local community-based organizations to help perform outreach. Are you expecting us to identify those groups as part of our proposal or will that be discussed after contracting?

A4. [Answer in full from [24:10](#) to 26:00]
