

STAFF REPORT

MEETING DATE:	October 31, 2024
SUBJECT:	Approve Resolution 24-11 which suspends and replaces Resolution 09-12 and authorizes the Executive Director to execute a Master Fund Transfer Agreement and other agreements with Caltrans and make amendments as needed
AGENDA ITEM:	7-6
STAFF CONTACT:	Sean Tiedgen, AICP, Executive Director

SUMMARY:

The Shasta Regional Transportation Agency (SRTA) receives various federal, state, and local transportation funds through the California Department of Transportation (Caltrans) to carry out planning and programming activities, and to pass through funds to local agencies and regional partners. A Master Fund Transfer Agreement (MFTA) is required to receive funds, the existing agreement is set to expire on December 31, 2024, and the new agreement needs approval via resolution.

STAFF RECOMMENDATION:

It is recommended that the board of directors approve Resolution 24-11, which suspends and replaces Resolution 09-12; authorizes the executive director to execute a new Master Fund Transfer Agreement (MFTA) with Caltrans for the period of January 1, 2025, to December 31, 2034; and authorizes the executive director to sign any future Master Agreement, Program Supplemental Agreements, Fund Exchange Agreements, and/or Fund Transfer Agreements to disburse previously authorized and future federal or state grant funds.

DISCUSSION:

SRTA serves as the federally designated metropolitan planning organization (MPO) and state designated regional transportation planning agency (RTPA) for the Shasta Region (inclusive of all jurisdictions within the geographical boundary of Shasta County). As such, SRTA receives and administers various federal, state, and local funds, through the California Department of Transportation (Caltrans), for the purpose of carrying out transportation planning and programming activities, and to pass through funds to local agencies and regional partners. Once funds are approved by the board of directors and state and federal agencies, agreements must be executed to administratively transfer funds to SRTA. The agreements establish fiscal and accounting requirements. Without the agreement, SRTA and regional partners (e.g., cities, county, Redding Area Bus Authority) cannot receive transportation funds.

SRTA maintains an MFTA with Caltrans for this purpose, which expires on December 31, 2024. Caltrans requires a new resolution in order to execute the new MFTA. On further review, staff found that the existing resolution (Resolution 09-12) contains old information prior to the agency

going independent and needs updates to reflect changes in MFTA conditions over the years. It's recommended the prior resolution be replaced with a new one.

Staff participated in review of the new MFTA with Caltrans and recommends approval of the attached resolution and agreement. A signed resolution and MFTA is due to Caltrans by November 15, 2024, in order for a new MFTA to be in effect before January 1, 2025.

ALTERNATIVES:

The board of directors may elect to have the Chair sign each respective contract and associated documents individually. This is not recommended since the agreements are routine and administrative in nature after the board of directors has approved to receive funds. Delays in approval of documents may inadvertently de-obligate grant funds.

OTHER AGENCY INVOLVEMENT:

Caltrans oversees and administers various federal and state funding programs, which are then apportioned to each MPO and/or RTPA on behalf of the region they serve. SRTA and regional transportation planning agencies across California reviewed and provided input on the content of the new MFTA. */// The Technical Advisory Committee (TAC) met on October 14, 2024, to review and discuss the new MFTA and to vote on the matter. ///*

FISCAL & POLICY COMMITTEE REVIEW:

/// The Fiscal & Policy Committee met on October 22, 2024, to review and discuss the MFTA and to vote on the matter. ///

FISCAL IMPACT:

Adoption of Resolution 24-11 and execution of the 2025 MFTA ensures that grant funds will continue to be available for transportation projects in the Shasta Region.

A. These funds may include, without limitation, federal Consolidated Planning Grants, and

any other Federal or State funds administered by and through the Department of Transportation, Office of Regional and Community Planning.

Consolidated Planning Grants consist of four federal funding types and sources: (i) FHWA Metropolitan Planning (PL); (ii) FTA Metropolitan Planning (Section 5303), both of which are annually allocated to MPOs; (iii) FHWA State Planning and Research-Partnership Planning (SPR); and (iv) FTA State Planning and Research (Section 5304), the last two of which are discretionary grants awarded through a grant application solicitation process.

The State funds administered by the Office of Regional and Community Planning include but are not limited to: (i) State Rural Planning Assistance, (ii) State Highway Account (SHA); and (iii) Road Maintenance and Rehabilitation Account (RMRA) funds.

- B. Upon appropriation of funds and pursuant to Public Utilities Code (PUC) sections 99311 and 99311.1, STATE is required to pass-through Federal and State funds made available for transportation planning purposes to entities qualified to act as recipients of these funds in accordance with the intent of law and policy.
- C. STATE is also required to encumber Federal and State funds made available for planning purposes to entities qualified to act as recipients of these Federal and State funds in accordance with the intent of law and policy.
- D. STATE agrees to notify MPO annually in writing of the anticipated level of State and Federal Planning funds that may be available to MPO for each subsequent year's approved Overall Work Program, hereinafter referred to as OWP.
- E. STATE has prepared this MFTA, which hereby, together with the annual OWP and annual Overall Work Program Agreement, hereinafter referred to as the annual OWPA, found in APPENDIX A, set forth the entire terms and conditions under which these funds are to be expended by MPO for the fiscal year period of that annual OWP and annual OWPA.
- F. The provisions set forth in this MFTA shall only apply to funds administered in whole or in part through this agreement. No provisions of this MFTA shall extend to or govern the use of funds that are not allocated or transferred under this agreement.

ARTICLE 1-PROGRAM ADMINISTRATION

Section 1. Overall Work Program and Overall Work Program Agreement

- A. MPO agrees to develop and submit an annual draft OWP, in compliance with 23 CFR 420, 23 CFR 450, and FTA Circular 8100.1D, for approval by STATE, FTA and FHWA, as applicable. This submittal, due no later than each March 1, shall describe MPO's next fiscal year transportation planning program (fiscal year refers to the State fiscal year of July 1 to June 30).

- B. Each annual OWP and OWPA will expressly adopt and incorporate the terms and conditions of this MFTA by reference.
- C. MPO shall be responsible for the complete performance of the work contained in each OWP. All work shall be accomplished in accordance with applicable provisions of State and Federal law.
- D. MPO will annually include a signed "FHWA and FTA Metropolitan Transportation Planning Process Self-Certification" form, a signed FTA "Certifications and Assurances for FTA Assistance" form (refer to Article IV, Section 1), a signed "California Department of Transportation Debarment and Suspension" form, and a signed "Disclosure of Lobbying Activities" form in each annual OWP (APPENDIX E).
- E. The annual OWPA is the approved OWP encumbrance document. Disbursement of funds by STATE will occur only after the execution of this MFTA; approval of the annual OWP by STATE, the FTA and FHWA; and execution of the annual OWPA. Funds will not be encumbered or reimbursed by STATE to MPO until the annual OWPA has been executed and the State Budget for that fiscal year has been passed.
- F. No funds of any nature are allocated or encumbered in this MFTA unless included in an adopted and approved OWP by means of an approved and fully executed annual OWPA or OWPA amendment. Costs incurred by MPO prior to OWP approval or conditional approval are incurred at MPO's risk and will not be reimbursed until State and Federal approval.
- G. MPO shall request and obtain from the STATE the final annual allocation amount for FHWA PL and FTA 5303. MPO is encouraged to program the full annual allocation amount by means of an approved and fully executed OWP/A amendment, no later than May 1 of each fiscal year. Funds not programmed by MPO for that fiscal year will lose Obligation Authority (OA) and be subject to Federal rescission. MPO will not be able to use the unprogrammed OA prior to submitting a justification to STATE and obtaining approval from both STATE and the Department of Transportation, Office of Federal Resources.
- H. MPO agrees to satisfactorily complete all work element tasks, projects, and products as described in each approved annual OWP financed with State or Federal funds and encumbered by STATE via the annual OWPA.
- I. MPO will identify in sufficient detail to indicate who (e.g., State, MPO, public transit operator, local government, or consultant) will complete the activities and products in the OWP work elements, including all work that is to be completed through a third-party contract and funded, in whole or in part, under the terms and conditions of this

Agreement.

- J. STATE agrees to pass-through available funds and to reimburse allowable costs incurred in executing the tasks, projects, and products specified in the annually approved OWP funded from State and Federal sources and will be encumbered by STATE.
- K. Only work performed during the term of, and consistent with, the work elements in the OWP may be reimbursed. Reimbursements are based upon the fiscal year, July 1 to June 30. All work performed after the end of each fiscal year (June 30) is subject to the approved OWP and annual OWPA for that corresponding fiscal year and reimbursed from the corresponding fiscal year budgeted funds.
- L. MPO may incur costs against its approved annual OWP and may submit Requests for Reimbursement with the understanding that STATE is unable to approve any payments for reimbursement until such time as funds are included in that fiscal year's annual State Budget which is passed by the Legislature and signed by the Governor.
- M. MPO shall use non-federal funds to finance the local share of eligible costs to ensure compliance with all applicable matching requirements for federal funds described in this MFTA and encumbered against the annual OWPA. Credit for local match will be allowed only for work performed during the approved term of each annual OWPA. Third-party "in-kind" contributions are allowed as local match, in accordance with the provisions of 23 CFR 420.119 and 2 CFR 200.306.
- N. MPO further agrees to ensure that amendments to a previously approved OWP and annual OWPA are adopted by the MPO Board of Directors and subsequently approved by STATE, FTA, and FHWA, as applicable, prior to initiating any work identified in those amendments; however, MPO is not required to pause work that was previously authorized. Changes requiring amendments generally include adding, deleting, or revising a work element; adding funds to or deleting funds from a work element; incorporating carryover funds; or altering the scope of work. Administrative amendments are not required to be adopted by the MPO Board of Directors. If a work element or project cannot be completed as originally approved, MPO will report this in its Quarterly Progress and Expenditure Report and must amend the OWP/annual OWPA accordingly. Amendments to the OWP and annual OWPA must be submitted to STATE and be fully executed no later than May 1 each year. Through administrative amendment, MPO will notify STATE via mail or electronic mail of administrative OWP changes that do not affect overall funding, scope of work, or project schedule.
- O. MPO acknowledges and agrees that MPO is the sole control and manager of the work proposed in the OWP and is solely responsible for complying with the funding and use restrictions established by State and Federal law and this MFTA.

- P. MPO shall be free to copyright the material developed under work items identified in the OWP provided that STATE and FHWA/FTA, as applicable, reserve a royalty-free, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and authorize others to use, that work for government purposes.

Section 2. Quarterly Progress and Expenditure Reports

- A. MPO agrees to submit to STATE, no later than thirty (30) calendar days after the close of each of the first three quarters, Quarterly Progress and Expenditure Reports that include all work elements for transportation planning tasks, projects, and products funded wholly or in part by any of the fund sources listed in the "Recitals" section of this MFTA. MPO agrees to submit to STATE the Quarterly Progress and Expenditure Report for each fourth quarter no later than sixty (60) calendar days after the close of the quarter. STATE may withhold payment of the final Request for Reimbursement submitted pending the submission of the fourth quarter Quarterly Progress and Expenditure Report.

In accordance with the latest adopted Regional Planning Handbook, Quarterly Progress and Expenditure Reports submitted to STATE will identify all projects by work element number and title and shall contain, at a minimum the following:

- A brief narrative describing work progress, progress in adhering to schedules, and schedule changes;
 - A list of tasks and products completed during the quarter;
 - Percent comparison of actual performance with work element-level goals and deliverables;
 - Status of expenditures by work element, funding source, and type, in a format compatible with the work program, including a comparison of budgeted (approved) amounts and actual costs incurred;
 - Other pertinent supporting information, such as major products, challenges, etc.
- B. STATE reserves the right to deem incomplete any Quarterly Progress and Expenditure Report that does not sufficiently document the above-required information and may withhold payment of Requests for Reimbursement submitted pending the submission of required documentation.

ARTICLE II - ALLOWABLE COSTS AND REIMBURSEMENT

Section 1. Requests for Reimbursement

- A. Requests for Reimbursement must conform to either subpart 1 or subpart 2 hereinbelow for the entire State fiscal year:

1. MPO shall prepare and electronically submit to STATE, not more frequently than once a month, but at least quarterly, one signed Request for Reimbursement of actual allowable costs incurred and paid (expended) by MPO consistent with work elements described in the OWP (conforming to the format provided in APPENDIX B) and including the information required in part B of this section. The amount billed per each work element is not to exceed the total amount authorized for that work element in the OWP. Each expenditure by work element must meet the minimum required or contracted local match, if applicable, on every Request for Reimbursement. Reimbursements under this MFTA will be allowed if based upon actual costs expended and supported by MPO's accounting system. MPO must not only have incurred the allowable project cost on or after the effective date of the annual OWPA and on or before its termination date but must also have paid those expenses.
2. MPO shall prepare and electronically submit to STATE, not more frequently than once a month, but at least quarterly, one signed Request for Reimbursement of actual allowable costs incurred by MPO. This submission must be consistent with work elements described in the OWP (conforming to the format provided in APPENDIX B) and include the information required in part B of this section. The amount billed per each work element is not to exceed the total amount authorized for that work element in the OWP. Each expenditure by work element must meet the minimum required or contracted local match, if applicable, on every Request for Reimbursement. Reimbursements under this MFTA will be allowed if based upon actual costs incurred and supported by the MPO accounting system. The MPO accounting system must adhere to Generally Accepted Accounting Principles. This adherence enables the determination of allowable incurred costs by accruing due to the costs billed to the MPO and recognized by the MPO as valid, undisputed, due, and payable.
3. By submitting accrued but unpaid costs for reimbursement, MPO agrees that within ten (10) working days of receipt of STATE's reimbursement, the full amount of all cost items submitted as reimbursable accrued costs shall be paid to each billing entity. Any reimbursed accrued cost not paid within this ten (10) working day grace period shall accrue interest payable to STATE at the then present interest rate established by the State Treasurer's Pooled Money Investment Account. Interest incurred must be timely remitted to STATE. Reimbursed incurred costs not paid to the billing entities by MPO within forty-five (45) days of MPO's receipt of STATE's reimbursement will thereafter be deemed unallowable. All unallowable costs must be immediately remitted to STATE. MPO agrees to submit a revised Disadvantage Business Enterprises Utilization Report (ADM 3069) as soon as reimbursement occurs.

If MPO is found, through audit or other means, not to have paid a billing entity its invoiced sums then owed within the ten (10) working day grace period, MPO must immediately revert to the reimbursement process described in subpart 1 above.

- B. In order to receive reimbursements, MPO agrees to furnish with each billing, at a minimum, the information provided for in APPENDIX B3, a detailed financial management system report from the MPO accounting system which denotes those reimbursable costs, as well as those used for local match, were either expended or incurred, as applicable.
- C. STATE agrees to make reimbursements to MPO, in conformance with Federal regulations, as promptly as STATE fiscal procedures will permit upon the receipt of a signed and electronically submitted Request for Reimbursement (conforming to the format provided in APPENDIX B) that includes all required information, as applicable, (conforming to the format in section B) of actual allowable costs incurred for the period of time covered by that Request for Reimbursement. Incomplete or inaccurate requests for reimbursement shall be returned to MPO unapproved for correction as soon as errors are discovered.
- D. No State and/or Federal funds administered under this MFTA will be dispersed on the advance basis defined in 2 CFR 200.305.

Section 2. Travel and Per Diem Reimbursement

- A. Payments to MPO for travel and subsistence (per diem) expenses of MPO staff and its contractors and subcontractors claimed for reimbursement using funds administered through this Agreement or as local match credit shall not exceed rates authorized to be paid non-state employees under current State Department of Human Resources (CalHR) rules unless written verification is supplied that government hotel rates are not commercially available to MPO, or its contractors, its subcontractors, and/or its subrecipients, at the time and location required as specified in the California Department of Transportation's Travel Guide Exception Process. The requirements of this section shall only apply to direct project costs and do not extend to indirect costs allocated through a federally approved Indirect Cost Rate Proposal.

Section 3. Final Request for Reimbursement and OWP Closeout Documentation

- A. MPO shall electronically submit an OWP/annual OWPA closeout documentation package and OWP final products to STATE no later than August 31st of each fiscal year. The closeout package shall conform to the format provided in APPENDIX C.
- B. The closeout package must be attached to a transmittal letter, typed on MPO letterhead. Failure to submit these documents by August 31st of each fiscal year may

result in STATE withholding future apportionments and/or allocations to MPO. STATE election not to withhold future apportionments and/or allocations immediately after the end of one fiscal year shall not limit STATE ability to initiate subsequent withholdings.

- C. Upon receipt of the required closeout documentation and OWP final products, STATE will issue a reconciliation letter to MPO stating the amount of unspent funds available to be carried over to the subsequent year's OWP. MPO may amend some or all of these funds into the OWPA only upon signature of the reconciliation letter by the MPO executive director or his or her appointee, and submittal of the signed letter to STATE. Any funds that are identified in the reconciliation letter, but not programmed by May 1 each year in which the letter is issued, will be forfeited.

Section 4. Funding Contingencies

- A. All obligations of STATE under the terms of the MFTA and each annual OWPA are subject to the availability of Federal and State funds, appropriation of resources by the Legislature, and the annual passage of the State Budget. The authorization and obligation of these funds by outside entities may be terminated, limited or otherwise adversely affected by factors which may include, but are not limited to, changes in State or Federal law regarding the encumbrance and reimbursement of the funds provided by each annual OWPA and this MFTA.

ARTICLE III - AUDITS AND REPORTS

Section 1. Cost Principles

- A. MPO agrees to comply with 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200), as applicable.
- B. MPO agrees, and will require that its contractors, subcontractors, and subrecipients be obligated to agree, that (a) the Contract Cost Principles and Procedures, 48 CFR, Federal Acquisition Regulations System, Chapter 1, Part 31, et seq., shall be used to determine the allowability of individual project cost items (subrecipients shall refer to, 2 CFR Part 200); and (b) all parties shall comply with Federal administrative procedures in accordance with 2 CFR Part 200. Every sub-recipient receiving project funds as a contractor, subcontractor, or sub-grantee under this MFTA shall comply with Federal administrative procedures in accordance with 2 CFR Part 200.
- C. MPO agrees and shall require that all of its agreements with contractors, subcontractors, and subrecipients funded in whole or in part with funds administered through this MFTA contain provisions requiring adherence to this section in its entirety, as applicable.

Section 2. Indirect Cost Agreement and Cost Allocation Plan (ICAP)

- A. Prior to MPO seeking reimbursement of indirect costs, MPO must prepare and submit annually to STATE for review and acceptance an indirect cost rate proposal and a central service cost allocation plan (if any) in accordance with 2 CFR, Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards or applicable cost principles and Local Program Procedures Manual (Chapter 5).
- B. Prior to MPO seeking reimbursement of subrecipient indirect costs, and when subrecipient cognizant federal agency, as defined in 2 CFR part 200, is USDOT and/or STATE, MPO agrees and will require subrecipient to comply with section 2A.
- C. Prior to MPO seeking reimbursement of subrecipient indirect costs, and when subrecipient ICAP is approved by a cognizant federal agency other than USDOT, MPO agrees and will require subrecipient to submit to STATE a copy of the cognizant agency approval, the approved proposal, plan, subsidiary worksheets, and other relevant data on an annual basis as evidence of the approval.
- D. If a submitted ICAP does not meet the requirements of 2 CFR Part 200, and is determined to be insufficient, STATE will advise MPO of additional documentation or changes needed to meet Federal and State requirements. MPO agrees to provide requested documentation or required changes, and if MPO is non-compliant the submissions may be returned to MPO if requested documentation is not provided or required changes are not made.
- E. Material audit adjustments will require reimbursement to STATE or adjustment to subsequent years ICAPs if proposals are later found to have included costs that are unallowable as specified by law or regulation, or the terms and conditions of this MFTA.
- F. MPO agrees and shall require that all its agreements with subrecipients funded in whole or in part with funds administered through this MFTA contain provisions requiring adherence to this section in its entirety, as applicable.

Section 3. Record Retention/Audits

- A. MPO, its contractors, subcontractors and sub-recipients, agree to comply with Title 2, Code of Federal Regulations (CFR), Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. MPO shall maintain, and shall require its subrecipients, contractors and its subcontractors to maintain all source documents, books, records and supporting documents connected with their performance of OWP work initiated under this MFTA and each applicable annual OWPA for a minimum of five (5) years from the date of final payment to MPO or, if an audit is initiated within that timeframe, until audit resolution is achieved for each annual OWPA,

whichever is later, and shall make all such supporting information available for inspection, copying and audit by representatives of STATE, the California State Auditor, or the Federal Government upon request. Copies will be made and furnished by MPO, its contractors, its subcontractors and sub-recipients upon request made by STATE or its agents at no cost to STATE. Scanned original documents in electronic form are suitable to meet this requirement.

- B. MPO shall establish and maintain, and shall require that its subrecipients, contractors and subcontractors shall establish and maintain, an accounting system conforming to Generally Accepted Accounting Principles (GAAP) to support Requests for Reimbursement which segregate and accumulate the costs of work elements by line item (i.e. direct labor, other direct costs, subrecipients/subcontractor, etc.) and enable the determination of expenditures at interim points of completion, and provide support for reimbursement payment vouchers or invoices.
- C. For the purpose of determining compliance with Government Code Section 8546.7, in connection with the performance of MPO contracts and/or agreements with third parties, MPO, MPO sub-recipients, contractors, and subcontractors which are funded in whole or in part with the funds administered through the this MFTA, shall each maintain and make available for inspection all books, documents, papers, accounting records, and other evidence pertaining to the performance of such contracts and/or agreements, including, but not limited to, the costs of administering those various contracts and/or agreements. All the above referenced parties shall make such contracts and/or agreements available at their respective offices at all reasonable times during the entire period of each annual OWPA and for five (5) years from the date of final payment to MPO or, if an audit is initiated within that timeframe, until audit resolution is achieved for each annual OWPA, whichever is later. STATE, the California State Auditor, or any duly authorized representative of STATE or the United States Department of Transportation, shall each have access to any books, records, and documents that are pertinent to the fulfillment of the contracts/ and/or agreements for audits, examinations, excerpts, and transactions, and MPO shall furnish copies thereof if requested.
- D. Where applicable, MPO agrees to comply with audit requirements for third party contractors, subcontractor and subrecipients in accordance with STATE Local Assistance Procedure Manual, Chapter 10 or any successor thereto.
- E. MPO agrees to include all costs associated with this MFTA, OWP and annual OWPA, and any amendments thereto; to be examined in the annual audit and in the schedule of activities to be examined under MPO single audit prepared in compliance with 2 CFR Part 200, subpart F. MPO is responsible for assuring that the Single Auditor has reviewed the requirements of this MFTA, the OWP and the annual OWPA. Copies of said audits shall be submitted to STATE.

- F. When conducting an audit of the costs and match credits claimed under the provisions of each annual OWPA and this MFTA, STATE will rely to the maximum extent possible on any prior audit of MPO pursuant to the provisions of State and Federal law. In the absence of such an audit, work of other auditors will be relied upon to the extent that work is acceptable to STATE when planning and conducting additional audits.
- G. MPO agrees to furnish documentation to STATE supporting this requirement that all its agreements with contractors, subcontractors, and subrecipients funded in whole or in part with funds administered through this MFTA do contain provisions requiring adherence to this section in its entirety, as applicable.
- H. Neither the pendency of a dispute nor its consideration by STATE will excuse MPO from full and timely performance in accordance with the terms of this MFTA, the OWP, and the annual OWPA.

ARTICLE IV - MISCELLANEOUS PROVISIONS

Section 1. Federal Certifications and Assurances

- A. MPO shall comply with the FHWA "Metropolitan Transportation Planning Process Self-Certification" requirements in accordance with 23 CFR 450.334 and the Infrastructure Investment and Jobs Act (IIJA) Public Law 117-58) and the successors thereto. This certification is provided annually by FHWA and FTA. It may include, but is not limited to:
