

STAFF REPORT

MEETING DATE:	December 14, 2023
SUBJECT:	Receive Update on ShastaConnect Transit Services for Fiscal Year 2022/23
AGENDA ITEM:	7-6
STAFF CONTACT:	Jennifer Pollom, AICP, Senior Transportation Planner

STAFF RECOMMENDATION:

It is recommended that the board of directors receive a ShastaConnect update for Fiscal Year (FY) 2022/23.

DISCUSSION:

SRTA contracts with Dignity Health Connected Living (DHCL) to provide specialized on-demand ridesharing services in Shasta County including:

1. Monday through Friday (weekday) in rural Shasta County, including within:
 - a. The Redding Area Bus Authority (RABA) service area where services are not currently provided and for those who are ineligible for RABA's complimentary paratransit services but are unable to ride fixed route service; and
 - b. The Intermountain Area communities of Burney, Cassel, Fall River Mills, and McArthur; and
2. Sundays in the cities of Anderson, Redding, and Shasta Lake, as RABA does not currently offer service on Sundays.

Weekday ridership for 2022/23 increased 23 percent over 2021/22 ridership, and Sunday ridership decreased 20 percent. Key performance metrics are attached.

OTHER AGENCY INVOLVEMENT:

SRTA discusses and coordinates services with DHCL and RABA as needed to meet rider needs.

FISCAL IMPACT:

Fiscal information is based on invoices received from DHCL, and SRTA staff time is budgeted in the Overall Work Program.

Weekday On-Demand Rideshare Service – Weekday transit services are funded through SRTA's annual five percent set-aside from the Local Transportation Fund (LTF) for consolidated transportation services agency (CTSA) services, Low Carbon Transit Operations Program (LCTOP) grants, and State of Good Repair (SGR) funds. Fares are currently offset via LCTOP-funded free/reduced fare program. Total administration and operational costs for FY 2022/23, including SRTA staff time totaled \$676,324.03.

Sunday On-Demand Transit Service – Sunday service is funded through LCTOP grants. Administration and operational costs for FY 2022/23, totaled \$158,055.11. An LCTOP balance of \$98,843 remains as of the end of the fiscal year for eligible operations, software, outreach, and SRTA staff costs. Remaining LCTOP funds will be spent on Sunday On-Demand Transit Service only and may be rolled over into a future fiscal year, with Caltrans approval.
