

STAFF REPORT

MEETING DATE:	February 25, 2020
SUBJECT:	Approve Allocating Fiscal Year 2019/20 Low Carbon Transit Operations Program Funding to the ShastaConnect Sunday On-Demand Transit Service
AGENDA ITEM:	8-6
STAFF CONTACT:	Sean Tiedgen, AICP, Senior Transportation Planner

SUMMARY:

The fiscal year (FY) 2019/20 allocation of Low Carbon Transit Operations Program (LCTOP) funds to the Shasta Regional Transportation Agency (SRTA) totals \$326,992. Prior LCTOP funds totaling \$231,865 have been allocated to the Sunday Transit service project. Consistent with prior board of directors' action, the FY 2019/20 funds are proposed to be applied toward the two-year ShastaConnect Sunday On-Demand Transit service, estimated to cost \$611,416.

STAFF RECOMMENDATION:

It is recommended that the board of directors:

1. Adopt Resolution 20-01, allocating FY 2019/20 LCTOP funds to the Sunday Transit Service Demonstration Project (Round 2), and
2. Authorize the executive director to sign the Certifications and Assurances and Authorized Agent forms for the LCTOP application, including any amendments as may be necessary.

DISCUSSION:

LCTOP provides public transportation funding for new or enhanced transit services that reduce greenhouse gas emissions and improve mobility. Projects that serve disadvantaged or low-income communities receive priority. LCTOP funds cannot supplant existing services or funding. Previous LCTOP allocations were applied to the following projects:

- Expansion of RABA express routes (FY 2014/15, FY 2015/16, FY 2016/17) - **\$335,625**
- Sunday Transit (FY 2017/18) - **\$231,865**
- Regional Reduced and Free Transit Fare Program (FY 2018/19) - **\$329,232**

The California State Controller issued a letter on February 14, 2020, announcing the allocation of FY 2019/20 LCTOP funding to all eligible agencies. SRTA's allocation totals \$326,992. Before receiving the funds, SRTA must submit an application (due April 8, 2020) to Caltrans and the California Air Resources Board to ensure the project meets program eligibility criteria.

Consistent with prior board of directors' approval, staff recommends that SRTA submit an application requesting that the FY 2019/20 LCTOP allocation be applied to the second year of the ShastaConnect Sunday On-Demand Transit service. SRTA previously requested FY 2018/19 funds for this purpose, however, LCTOP grant administrators declined this request due to the service being delayed and directed SRTA to submit a request for FY 2019/20.

Requesting the FY 2019/20 LCTOP allocation is key to funding the two-year ShastaConnect Sunday On-Demand Transit service project. Funding and operations beyond the initial two years of the ShastaConnect Sunday On-Demand Transit service will be determined by the board of directors as part of the 2021/22 Unmet Transit Needs review.

ALTERNATIVES:

The board of directors may allocate FY 2019/20 LCTOP funds to a different project provided the project meets all LCTOP eligibility criteria.

OTHER AGENCY INVOLVEMENT:

Caltrans and the California Air Resources Board administer the LCTOP funds. Dignity Health Connected Living operates the ShastaConnect Sunday On-Demand Transit service. The Technical Advisory Committee (TAC) concurs with the staff recommendation.

FISCAL IMPACT:

Estimated project costs for the ShastaConnect Sunday On-Demand Transit service total \$611,416. Currently, \$231,865 in LCTOP funds (FY 17/18) have been allocated. The FY 2019/20 allocation request provides an additional \$326,992 in LCTOP funding for the project, bringing total funding to \$558,857. Staff anticipates requesting a portion of SRTA's FY 2020/21 LCTOP funding to cover the project funding gap.
