

ADDENDUM #1

This Addendum #1 adds an additional Task to the Project Scope of Work section of the Request for Proposals for Janitorial services. Applicants must respond to this item as part of their proposal. If no options are proposed, vendors may state “no other optional items are included with this proposal” or other similar text to that effect. Failure to do so would cause SRTA to determine that the proposal is “unresponsive.”

Project Scope of Work

Task 3: Options – Other Services Provided Upon Request

Upon request, the vendor may provide optional services. These optional services shall be reimbursed as a time and materials expense not to exceed \$5,000 over the life of the 60-month contract. Options “Other Services Provided” may be listed as line items on the cost proposal worksheet.

Deliverables:

Other services may include:

- Window washing, inside and outside;
- Carpet Cleaning;
- Pressure washing; and
- Any other related cleaning services.
