

Request for Proposals: SRTA Building Access Control System

SRTA Solicitation Number: S-00020

Addendum 2

October 7, 2022

Due to an administrative error, the question and answers for this procurement have not been added to the bid posting page on the SRTA website. In order to ensure the two-week period between the posting of the questions and answers document and the proposal submission deadline is available to all potential proposers, **the submission deadline for this procurement has been extended an additional two weeks to 3 p.m. PDT on Friday, October 21, 2022.** Postmarks will not be accepted.

All subsequent dates in the procurement schedule have been pushed out two weeks accordingly, and remain subject to change:
