

ASSOCIATE TRANSPORTATION PLANNER RECRUITMENT

Are you an ambitious journey-level planner seeking a dynamic role with more responsibility? This is the role for you! Incumbents are expected to perform the full range of professional and technical planning work in transportation and environmental planning activities, in addition to providing project management and administration. Craving more independence? Positions at this level are distinguished from the assistant-level by performing the full range of duties as assigned, but also work independently, and exercise judgment and initiative. Positions at this level receive only occasional instruction or assistance as new or unusual situations arise.

Full job specifications are available online:

TOP 8 REASONS TO LIVE IN SHASTA COUNTY

1. Great cost of living: From housing to entertainment, the area boasts a lower cost of living that means your dollar (and your lifestyle) goes farther.
2. Welcoming community: From Redding, our largest city (population of 94,000), to our smallest towns, our people are known for their friendliness and warmth.
3. Great weather: Redding is the second sunniest city in America, with over 300 days of sunshine.
4. Stunning natural wonders: We're surrounded by snow-capped mountains, salmon and trout-filled rivers, mountain streams, waterfalls, and fresh air.
5. Outdoor recreation: Whether you're into hiking, fly-fishing, camping, rock climbing, mountain biking, skiing, camping, or boating, there are dozens of world-class adventures within an hour of our backyard.
6. Thriving downtown scene: From coffee shops to boutiques, restaurants and theaters, our region is lively and active.
7. Healthy economy: Our diverse economy means opportunities abound.
8. Convenient location: Situated at the geographic center of the north state along the I-5 Corridor and convenient commercial air service via Redding Airport.

EDUCATION AND EXPERIENCE

In addition to graduation from an accredited four-year college or university with major coursework in transportation, urban or regional planning, transportation/traffic engineering, or a closely related field, two years of professional transportation planning experience at the level of an assistant transportation planner is desirable.

SRTA encourages professional development as employees rise through the planner job series, including mid-manager rotation opportunities, agency support and compensation for planners seeking certification with the American Institute of Certified Planners (AICP), and more.

ASSOCIATE TRANSPORTATION PLANNER RECRUITMENT
