Questions and Answers

Q1. May we include select images from the SRTA website in our proposal and interview materials?

A1. Yes.

Q2. Is the cost proposal to be submitted as a separately sealed document or as part of the overall proposal response?

A2. It should be included, unsealed, as part of the proposal and will count towards the 35-page limit.

Q3. Are resumes to be included in the 35-page limit or can they be included in an Appendix?

A3. Per pages 6 and 7 of the RFP, the resumes may be included as attachments and attachments do not count towards the 35-page limit.

Q4. Will there be a deduction of points if the 20% DBE requirement is not met?

A4. Proposals will be evaluated according to the criteria on pages 10 and 11 (if interviews are held). It would be more accurate to say that the five (5) DBE points will not be awarded if the DBE goal is not met. Additionally, the DBE criteria is binary, you will either get the full five points (if the DBE goal is met) or you get zero if it is not.

Q5. Page 11 of the RFP document references SRTA's standard Technical Services Agreement (TSA) will be used for the agreement between SRTA and the selected consultant. Attachment C for the TSA template was not included with the RFP documents. Can the TSA be provided?

A5. Thank you for bringing this to our attention. An example of our standard TSA has now been added to the bid posting page.
