REQUEST FOR PROPOSALS: GASB COMPLIANCE REPORTING

Question: Is there is a pension plan in addition to the CalPERS Cost-Sharing plan? If so, will SRTA be requesting proposals for those compliance reports as well?

Answer: SRTA has a pension, cost-sharing, and an Other Post Employment Benefits (OPEB) plan with CalPERS. SRTA has released an addendum to this request that has updated the RFP to include both GASB 68 and GASB 75 valuations and reporting.
