

Request for Proposals: SRTA Building Access Control System

SRTA Solicitation Number: S-00020

Questions and Answers

October 7, 2022

Q1: Are you able to provide floor plans and locations of existing access control doors?

A1: Documents including floorplans with locations of existing access control doors and wifi access point locations with signal strength were uploaded to the bid page on September 14, 2022, and notifications pushed out to all bid subscribers at that time.

Q2: Are you just looking for access control system that will allow people access?

A2: No, there needs to be an ability audit passthroughs on an individual level—that is, *who* passed through *where* and *when*.

Q3: How long have you had the existing lock system?

A3: The locks were installed as part of the 2015 remodel of the second-story spaces.

Q4: Would you accept multiple proposals from the same vendor, each offering different options?

A4: Yes.

Q5: Is this a prevailing wage job?

A5: Yes.

Q6: Do you anticipate any need to expand the doors covered by the existing system?

A6: There is a possibility, but it does not seem likely in the short-term.
