SUBJECT: SRTA MPO 2015 FTIP/FSTIP AMENDMENT NO. 4

Attention: Muhaned Aljabiry

Dear Mr. de Terra:

We have completed our review of Amendment No. 4 to the Shasta Regional Transportation Agency (SRTA) 2015 Federal Transportation Improvement Program (FTIP) that was submitted by your letter dated August 3, 2015. Amendment No. 4 to the SRTA 2015 FTIP was approved by on July 31, 2015, by the SRTA Executive Director in accord with the delegation of authority provided by the SRTA Board of Directors by SRTA Resolution #13-14, dated December 10, 2013. This SRTA FTIP amendment proposes: the addition of a new grouped project listing for transit planning, specifically the SRTA Airporter Feasibility Study; and the modification of three previously listed grouped projects including previously approved grouped listings for Operating Assistance to Transit Agencies, State Highways Pavement Resurfacing and Rehabilitation, Highway Safety Improvement Program, and various safety projects included in the State Minor Safety Improvement Program.

Pursuant to the *December 15, 2014, Memorandum of Understanding between the Federal Highway Administration (FHWA), California Division, and the Federal Transit Administration (FTA), Region IX*, we accept the proposed modifications to the 2015 FTIP/FSTIP for the SRTA Metropolitan Planning Organization (MPO) region in accordance with the Final Rule on Statewide and Metropolitan Transportation Planning that was published in the February 14, 2007, Federal Register. We find that the SRTA MPO's 2015 FTIP, including Amendment No.4, was developed through a continuing, cooperative and comprehensive transportation planning process carried out in accordance with the metropolitan planning provisions of 23 U.S.C. 134, and 49 U.S.C. Chapter 53 as amended by Public Law 112-141, the "*Moving Ahead for Progress in the 21st Century Act*" (MAP-21).

The changes proposed to the Federal Statewide Transportation Improvement Program (FSTIP) by this amendment are associated with projects that are either exempt from the requirements to determine conformity pursuant to 40 CFR 93.126 or 93.127; or are proposed for implementation in

areas of the State of California that are designated as attainment or unclassified for Federal Air Quality Standards, and as a consequence, are not subject to the requirement that an air quality conformity determination be made.

If you have questions or need additional information concerning our approval of this FSTIP amendment, please contact Wade Hobbs of the FHWA California Division office at (916) 498-5027, or by email at Wade.Hobbs@dot.gov ; or Hymie Luden of the FTA Region IX office at (415) 744-2732, or by email at Hymie.Luden@dot.gov .

Sincerely,

/s/ Leslie T. Rogers
