

STAFF REPORT

MEETING DATE:	June 27, 2017
SUBJECT:	Approve FY 2017/18 Unmet Transit Needs & Transportation Development Act (TDA) Budget
AGENDA ITEM:	8
STAFF CONTACT:	Dave Wallace, Chief Fiscal Officer

SUMMARY:

SRTA receives Transportation Development Act (TDA) funds for public transportation and other eligible uses. As the regional administrator for TDA funds, SRTA is responsible for determining the appropriate use of funds in accordance with statutorily-defined priorities. Funding is apportioned to each jurisdiction via the annual claims process. The total FY 2017/18 TDA budget, including state and federal grants for transit, is \$9,599,598.

STAFF RECOMMENDATIONS:

It is recommended that the board of directors:

1. Approve Resolution Number 17-05 (Attachment A), finding that the current level of transit service is reasonable to meet for FY 2017/18, except for RABA fixed route service to Cottonwood;
2. Approve the FY 2017/18 TDA Budget of Apportionments and Transit Obligations (Attachment B); and
3. Approve payment instructions to the county auditor (Attachment C).

DISCUSSION:

TDA provides two major sources of funding for public transportation: State Transit Assistance (STA) and Local Transportation Funds (LTF). Funding may be utilized for the following statutorily-defined priorities:

1. SRTA costs to manage TDA and perform other regional transportation agency mandates;
2. 2% of the remaining LTF balance for pedestrian and bicycle facilities;
3. Up to 5% of the remaining LTF balance for transit services provided by the Consolidated Transportation Services Agency;
4. Public transit services and administration provided by the city of Redding;
5. Other eligible transportation uses, including improvements to local streets and roads; and
6. Rural Bike Lanes and Sidewalks to Transit (BLAST) based upon excess transit funds allotted to the county of Shasta that are not needed for transit services in the unincorporated area.

A summary of the FY 2017/18 TDA budget for LTF and STA is seen in Table 1. These figures do not include other transit funds obtained through state and federal transit grants.

Table 1 – FY 2017/18 TDA Budget Summary

TDA Funding Claim	SRTA	CTSA (SSNP)	Anderson	Redding	Shasta Lake	County	Regional Total
SRTA Admin	\$797,132***						\$797,132
Ped/Bike	\$133,721						\$133,721
CTSA		\$331,707#					\$ 331,707
Rural BLAST	\$(158,173)**						\$(158,173)
Spillover to Cities			\$10,757	\$93,317	\$10,691		\$114,765
Public Transit			\$89,092	\$2,863,648	\$100,017	\$68,355	\$3,121,112
RABA Admin			\$30,470	\$450,175	\$25,080	*	\$ 505,725
Streets and Roads			\$295,495	\$33,861	\$288,844	\$2,506,105	\$3,124,305
TOTAL	\$772,680	\$331,707	\$425,814	\$3,441,001	\$424,632	\$2,574,460	\$7,970,294

* \$505,725 in RABA administration does not include the \$44,275 paid by the county of Shasta with federal grants

** A significant drop in STA in FY 2015/16 resulted in less STA available to be exchanged for LTF for the Rural BLAST Program. SRTA will return the excess LTF and make it available for future distributions

***Includes \$136,752 for FY 2015/16 true-up (grant writing technical assistance for the Affordable Housing and Sustainable Communities Program)

Total includes \$30,573 reserve for future technology

FY 2017/18 Unmet Transit Needs Process – In April, the SRTA Board of Directors received staff responses to transit needs requests pursuant to the agency’s “reasonable to meet” criteria. The SRTA Board of Directors concurred with staff’s findings listed in Table 2.

Table 2 - Summary of Findings from 2017/18 Unmet Transit Needs Cycle

Transit Service Request	Unmet Transit Need?	Reasonable to Meet?	Response
Sunday Service (recurring request)	Yes	Pilot Project Currently Under Evaluation	PENDING PILOT PROJECT: The SRTA Board of Directors approved funding in December 2016 to design an on-demand Sunday transit service demonstration project. SRTA is working with the city of Shasta Lake on designing a pilot project for an on-demand service.
Recommendations for continuation of services started last year			
Crosstown Express (September 2016)	Yes	Yes	CONTINUE WITH MODIFICATIONS: RABA service adjustments are underway to address low ridership numbers of this pilot project.
Cottonwood Express (April 2016)	Yes	No	DISCONTINUE: Service fell well below the minimum "reasonable to meet" criteria and fixed route services is scheduled to be discontinued on June 30, 2017. A new dial-a-ride service by SSNP is under development and could start as soon as July to meet this route's limited demand.
Whiskeytown "Beach Bus" (Summer 2016)	Yes	Yes	CONTINUE: Service for Summer 2017 began May 25 with funding from grants.

Attachment B contains the anticipated FY 2017/18 allocations of TDA and grant revenues. The FY 2017/18 budget includes a true-up from FY 2015/16 based on budget-versus-actual revenues and expenditures. Line #36 shows each agency's transit obligation and Line #38 shows remaining revenues available to improve streets and roads.

State Transit Assistance (STA) revenue decreased significantly in the FY 2015/16 true-up year. Staff proposes that the decrease in the STA available for exchange be absorbed by the Rural BLAST program rather than the three cities. Staff proposes a FY 2017/18 budget of \$114,766 for the Rural BLAST Program.

ALTERNATIVES:

The board of directors may modify the budget, revisit policy on allocating funds, or direct staff to study other transit needs that may be reasonable to meet.

OTHER AGENCY INVOLVEMENT:

RABA, the Social Services Transportation Advisory Council, cities, the county, and the Consolidated Transportation Services Agency participated throughout the Unmet Transit Needs process. The RABA budget for FY 2017/18 was approved by the RABA Board of Directors on June 19, 2017. The Technical Advisory Committee (TAC) recommends approval of the staff recommendation.

FINANCING:

Approval of the FY 2017/18 TDA Apportionments and Transit Obligations will allow the county auditor to distribute \$8,243,232 in TDA funds to SRTA, the cities, the county, the Consolidated Transportation Services Agency, and RABA as provided by Attachment C.

Daniel S. Little, AICP, Executive Director

Attachment A

RESOLUTION

RESOLUTION NUMBER:	17-05
SUBJECT:	2017/18 Unmet Transit Needs Findings and TDA Claims

WHEREAS, Section 99230 of the California Public Utilities Code (PUC) requires that each transportation planning agency annually determine the amount of Local Transportation Fund (LTF) funds to be allocated to each claimant, from an analysis and evaluation of the total amount anticipated to be available in the LTF, and the relative needs of each claimant for the purposes for which the fund is intended and consistent with the provisions of the law; and

WHEREAS, PUC Section 99231 and California Code of Regulations Section 6655 require that the transportation planning agency shall allocate to a claimant for a given area only such funds as representing that area's apportionment; and

WHEREAS, the provisions of PUC Section 99401.5 further require that the Shasta Regional Transportation Agency (SRTA) annually review and make findings concerning "unmet transit needs" in each claimant jurisdiction, and prior to making any LTF allocations to claimants for non-transit purposes, fund such unmet transit needs in each claimant jurisdiction as have been found "reasonable to meet"; and

WHEREAS, to ensure eligibility for State Transit Assistance funds, the Redding Area Bus Authority (RABA) shall submit calculations supporting its compliance with PUC Section 99314.6; and

WHEREAS, the 2017/18 transit needs review process in the Shasta region has included all of the following actions:

1. The Shasta Transit Brainstorm, a public input campaign, followed by a transit priorities survey of the region's unmet transit needs to inform the Transit Needs Assessment (TNA).
2. Consultations with and recommendations from the Social Services Transportation Advisory Council (SSTAC) and other interested organizations and individuals.
3. Identification of the transit needs for claimant jurisdictions in the Shasta region as detailed in the 2017/18 TNA, which includes the following:
 - a. An assessment of the size and location of identifiable groups which are likely to be transit dependent or transit disadvantaged, including but not limited to the elderly, the disabled and persons of limited means.
 - b. An analysis of the adequacy of existing public transportation services and specialized transportation services, including privately- and publicly-provided services, in meeting the demand identified pursuant to the assessment referred to in sub-paragraph (a) above.
 - c. An analysis of potential alternative public transportation and specialized transportation services and service improvements.

4. A public hearing held on February 28, 2017, for the purpose of soliciting claimant agency and citizen comments on unmet transit needs that may exist within each claimant's jurisdiction that might be "reasonable to meet" using LTF funds. Public comments were analyzed and responded to.
5. A presentation by SRTA staff on April 25, 2017, concerning current unmet needs findings and existing service ridership and feasibility.

WHEREAS, the findings required by PUC Section 99401.5, and related SRTA rules and policies, for each claimant jurisdiction are reflected in a single resolution for administrative convenience, and as a reflection of the coordinated transit service the individual claimants have separately elected to provide through a joint powers agreement, despite their individual status as eligible Transportation Development Act (TDA) claimants; and

WHEREAS, the information developed pursuant to PUC Section 99401.5 subdivisions (a) through (c), inclusive, provides the basis for the findings herein for 2017/18 including:

1. The 2017/18 TNA and supplemental data and analysis provided.
2. SSTAC consultation.
3. Public and claimant agency comments.
4. Staff reports and presentation to the SRTA Board of Directors.
5. The 2015 Regional Transportation Plan (RTP).
6. Redding Area Bus Authority (RABA) Short-Range Transit Plan, dated June 2014.
7. All correspondence, testimony and documents otherwise comprising the record of proceedings.

WHEREAS, the PUC Section 99401.5 findings made herein, including determinations that existing transit services, upon modifications, shall continue to be funded for each claimant as specified before any allocation is made by the responsible claimant for streets and roads within its jurisdiction; and

WHEREAS, proposed 2017/18 TDA allocations to the claimants, in the form of a 2017/18 TDA budget, have been prepared.

NOW, THEREFORE, BE IT RESOLVED the Shasta Regional Transportation Agency finds that:

1. RABA falls below the 17.8% adjusted farebox ratio for fiscal year 2016/17 (17.10%). However, existing services are recommended for funding because the continuation of the current RABA transit system is an essential service to the region's urban areas and will not result in a farebox penalty.
2. Sunday service could be "reasonable to meet" for the claimant jurisdictions in the region pending on-going analysis of a Sunday service pilot program 2017/18; and
3. The "Crosstown Express" service and seasonal service to Whiskeytown Lake, as detailed in the 2017/18 Unmet Transit Needs Findings, continue to be reasonable to meet per SRTA's definition which allows for farebox standard exceptions if services are funded entirely with grant funds (such as LCTOP and Dignity Health), for pilot projects such as these entering their second year, or for projects funded at the discretion of local agencies; and
4. The "Cottonwood Express" service, as detailed in the 2017/18 Unmet Transit Needs Findings, is no longer reasonable to meet as a fixed route service per SRTA's "reasonable

to meet” definition with a farebox recovery well below the required 10% minimum in non-urbanized areas. There is potential for future funding for a Cottonwood service through Shasta Senior Nutrition Program as a demand response service; and

5. The 2017/18 TDA budget reflects the most equitable cost-sharing as reflected by the agreement between claimant agencies in light of the transit system benefits each will realize from the RABA-provided services.

NOW, THEREFORE, BE IT FURTHER RESOLVED that the Shasta Regional Transportation Agency:

1. Approves the 2015/16 TDA true-up by incorporation into the 2017/18 claims; and
2. Approves allocations for each claimant jurisdiction that are consistent with and reflected in the approved 2017/18 TDA budget; and
3. Directs that claimants for TDA funds shall submit claims for transit funds in the amounts not exceeding those shown in the approved budget for fiscal year 2017/18, and that these claims and the use of resulting funds shall be consistent with transit requirements before any LTF allocations go to other uses.
4. Directs the auditor to make payments to the claimants pursuant to the schedule shown in Attachment C to the staff report, or as sufficient funds become available.

PASSED AND ADOPTED this 27th day of June, 2017, by the Shasta Regional Transportation Agency.

Greg Watkins, Chair

Shasta Regional Transportation Agency
