Dear Ms. Clemons and Mr. Matley:

The California Department of Transportation has completed the review of the following amendment to the Shasta Regional Transportation Agency's (SRTA) 2018/19 – 2021/22 2019 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
10	Local and Transit Transportation Systems This amendment adds and modifies projects funded from the Highway Bridge Program, State Transportation Improvement Program, and various Federal Transit Administration (FTA) programs.

See enclosure.

The updated programming is for projects in an air quality attainment area that is exempt from the conformity determination requirement. SRTA has certified that this FTIP amendment is financially constrained, and meets the requirements of public involvement procedures per SRTA's Public Participation Plan.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SRTA's Amendment Number 10. I also recommend that the Federal Highway Administration and FTA approve this FTIP amendment for inclusion into California's 2019 Federal Statewide Transportation Improvement Program (FSTIP). Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Mr. Vincent Mammano/ Mr. Ray Tellis
