Dear Ms. Clemons and Mr. Matley:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Shasta Regional Transportation Agency's (SRTA) 2018/19 – 2021/22 Federal Transportation Improvement Program (FTIP):

| <u>No.</u> | <u>Description</u>                 |
|------------|------------------------------------|
| 3          | <b>Local Transportation System</b> |

- This amendment modifies projects that include funding from the Highway Bridge Program, Highway Safety Improvement Program, Safe Routes to School Program, and the Active Transportation Program.

See enclosure.

The updated programming is for projects in an air quality attainment area that is exempt from the conformity determination requirement. SRTA has certified that this FTIP amendment is financially constrained, and meets the requirements of public involvement procedures per SRTA's Public Participation Plan.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SRTA's Amendment Number 3. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2019 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP, in fiscal years beyond the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are for information only. Approval of this amendment does not constitute an eligibility determination of projects for federal funding.
