

STAFF REPORT

MEETING DATE:	December 8, 2015
SUBJECT:	Authorize Proposition 84 Funds for Redding's Turtle Bay to Downtown Trail Planning Project
AGENDA ITEM:	5-6
STAFF CONTACT:	Jennifer Pollom, Senior Transportation Planner

STAFF RECOMMENDATION:

It is recommended that the board of directors:

1. Authorize \$45,000 in Proposition 84 funds in lieu of Transportation Development Act (TDA) funds for Redding's Turtle Bay to Downtown Trail Planning Project; and
2. Carryover the \$45,000 of TDA surplus to the 2016 non-motorized call for projects.

DISCUSSION:

The board of directors approved Redding's Turtle Bay to Downtown Trail Planning Project as part of the non-motorized program of projects on October 13, 2015. A Proposition 84 grant funding amendment that included Redding's Turtle Bay to Downtown Trail Planning Project was filed with the California Department of Conservation and approved on November 10. Assigning eligible planning grant funds to the project preserves TDA funds for future capital needs.

Daniel S. Little, AICP, Executive Director
