- B) Termination for Cause – If Vendor materially fails to perform duties to the satisfaction of SRTA or if Vendor fails to fulfill in a timely and professional manner obligations under this Agreement, or if Vendor violates any of the terms or provisions of this Agreement, then SRTA shall have the right to terminate this Agreement for cause effective immediately upon SRTA giving written notice thereof to Vendor.

If termination for cause is given by SRTA to Vendor and it is later determined that Vendor was not in default or the default was excusable, then the notice of termination shall be deemed to have been given without cause pursuant to paragraph A of this section.

- C) Immediate Termination – SRTA may terminate this Agreement immediately upon oral and/or written notice should funding cease, or be materially decreased, during the term of this Agreement.

- G) Payment Terms Upon Termination – Vendor shall only be paid for services satisfactorily completed and provided prior to the notice of termination. Vendor shall be paid for the percentage of work satisfactorily completed under the Agreement, as agreed to by the agency, to the total compensation authorized by the Agreement, less payments of compensation previously made.

Vendor shall be entitled to no other benefits other than those specified herein. Vendor specifically acknowledges that in entering into and executing this Agreement, Vendor relies solely upon the provisions contained in this Agreement and no others.
- B) No changes, amendments, or alterations shall be effective unless in writing and signed by both parties. However, minor amendments which do not result in a substantial or functional change to the original intent of the Agreement and do not cause an increase to the maximum amount payable under this Agreement may be agreed to in writing between Vendor and the executive director. If the proposed minor amendment alters the project schedule, a revised project schedule will be required from the Vendor for this Agreement.
- C) The headings that appear in this Agreement are for reference purposes only and shall not affect the meaning or construction of this Agreement.

10. NONASSIGNMENT OF AGREEMENT; NON-WAIVER

Inasmuch as this Agreement is intended to secure the specialized services of the Vendor, Vendor may not assign, transfer, delegate or sublet any interest herein without the prior written consent of SRTA. The waiver by SRTA of any breach of any requirement of this Agreement shall not be deemed to be a waiver of any other breach.

11. EMPLOYMENT STATUS OF VENDOR

Vendor shall, during the entire term of this Agreement, be construed to be an independent contractor and nothing in this Agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow SRTA to exercise discretion or control over the professional manner in which Vendor performs the services which are the subject matter of this Agreement; provided, however, that the services to be provided by Vendor shall be provided in a manner consistent with the professional standards applicable to such services. The interest of SRTA is to ensure that services shall be rendered and performed in a competent, efficient, timely and satisfactory manner. Vendor shall be fully responsible for payment of all taxes due to the State of California or the federal government which would be withheld from compensation if Vendor were an SRTA employee. SRTA shall not be liable

for deductions for any amount, for any purpose, from Vendor's compensation. Vendor shall not be eligible for coverage under SRTA workers' compensation insurance plan, nor shall Vendor be eligible for any other SRTA benefit. Vendor must issue W-2 and 941 Forms for income and employment tax purposes, for all of Vendor's assigned personnel under the terms and conditions of this Agreement.

12. INDEMNIFICATION

Vendor shall defend, hold harmless, and indemnify SRTA, its elected officials, officers, employees, and agents against all claims, suits, actions, costs, expenses (including but not limited to reasonable attorney's fees of SRTA counsel and counsel retained by SRTA, expert fees, litigation costs, and investigation costs), damages, judgments, or decrees by reason of any person's or persons' injury, including death, or property (including property of SRTA) being damaged by the negligent acts, willful acts, or errors or omissions of the Vendor or any of Vendor's subcontractors, any person employed under Vendor, or under any subcontractor, or in any capacity during the progress of the work, except when the injury or loss is caused by the sole negligence or intentional wrongdoing of SRTA. Vendor shall also defend and indemnify SRTA for any adverse determination made by the Internal Revenue Service or the State Franchise Tax Board and/or any other taxing or regulatory agency and shall defend, indemnify and hold harmless SRTA with respect to Vendor's "independent contractor" status that would establish a liability on SRTA for failure to make social security deductions or contributions or income tax withholding payments, or any other legally mandated payment.

For professional services provided under this Agreement, Vendor shall indemnify, defend, and hold harmless SRTA, its elected officials, officers, employees, agents, and volunteers from and against any and all claims, demands, actions, losses, liabilities, damage, and costs, including reasonable attorneys' fees, to the extent caused by the performance of the professional services provided under this Agreement.

13. INSURANCE COVERAGE

- A) Vendor and any subcontractor shall obtain, from an insurance carrier authorized to transact business in the State of California, and maintain continuously during the term of this Agreement Commercial General Liability Insurance, including coverage for owned and non-owned automobiles, and other insurance necessary to protect SRTA and the public with limits of liability of not less than \$1 million combined single limit bodily injury and property damage; such insurance shall be primary as to any other insurance maintained by SRTA.
- B) Vendor and any subcontractor shall obtain and maintain continuously required Workers' Compensation and Employer's Liability Insurance to cover Vendor, subcontractor, Vendor's partner(s), subcontractor's partner(s), Vendor's employees, and subcontractor(s) employees with an insurance carrier authorized to transact

business in the State of California covering the full liability for compensation for injury to those employed by Vendor or subcontractor. Vendor hereby certifies that Vendor is aware of the provisions of section 3700 of the Labor Code which requires every employer to insure against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and Vendor will comply with such provisions before commencing the performance of the work of this Agreement.

- C) Vendor shall obtain and maintain continuously a policy of Errors and Omissions coverage with limits of liability of not less than \$1 million.
- D) Vendor shall require subcontractors to furnish satisfactory proof to them that liability and workers' compensation and other required types of insurance have been obtained and are maintained similar to that required of Vendor pursuant to this Agreement. Vendor shall not allow any contract or subcontract to continue without proper insurance in effect after notification of the lapse of requisite insurance.
- E) With regard to all insurance coverage required by this Agreement:
 - (1) Any deductible or self-insured retention exceeding \$25,000 for Vendor or subcontractor shall be disclosed to and be subject to approval by SRTA prior to the effective date of this Agreement.
 - (2) If any insurance coverage required hereunder is provided on a "claims made" rather than "occurrence" form, Vendor or subcontractor shall maintain such insurance coverage with an effective date earlier or equal to the effective date of the Agreement and continue coverage for a period of three years after the expiration of the Agreement and any extensions thereof. In lieu of maintaining post-agreement expiration coverage as specified above, Vendor or subcontractor may satisfy this provision by purchasing tail coverage for the claims-made policy. Such tail coverage shall, at a minimum, provide coverage for claims received and reported three years after the expiration date of the Agreement.
 - (3) All insurance (except workers' compensation and professional liability) shall include an endorsement or an amendment to the policy of insurance which names the *Shasta Regional Transportation Agency (SRTA), its elected officials, officers, employees, agents, and volunteers as an additional insured* and provides that *coverage shall not be reduced or canceled without 30 days written prior notice certain to SRTA*. The Additional Insured coverage shall be equal to Insurance Service Office endorsement CG 20 10 for on-going operations and CG 20 37 for completed operations.

- (4) Each insurance policy (except for workers' compensation and professional liability policies), or endorsement thereto, shall contain a "separation of insureds" clause which shall read:

"Separation of Insureds."

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a) As if each Named Insured were the only Named Insured; and
 - b) Separately to each suit insured against whom a claim is made or suit is brought."
- (5) Vendor shall provide SRTA with an endorsement or amendment to Vendor's policy of insurance as evidence of insurance protection before the effective date of this Agreement. The accountant/finance officer, or his designee, shall approve the insurance certificate. A copy of the insurance certificate will be kept in the project file.
- (6) The insurance required herein shall be in effect at all times during the term of the Agreement. In the event any insurance coverage expires at any time during the term of the Agreement, Vendor shall provide, at least twenty (20) days prior to said expiration date, a new endorsement or policy amendment evidencing insurance coverage as provided for herein for not less than the remainder of the term of the Agreement or for a period of not less than one year. In the event Vendor fails to keep in effect at all times insurance coverage as herein provided and a renewal endorsement or policy amendment is not provided within ten (10) days of the expiration of the endorsement or policy amendment in effect at inception of the Agreement, SRTA may, in addition to any other remedies it may have, terminate the Agreement upon the occurrence of such event and pay in full all contractual invoices for work completed prior to expiration of insurance.
- (7) If the endorsement or amendment does not reflect the limits of liability provided by the policy of insurance, Vendor shall provide SRTA a certificate of insurance reflecting those limits.

14. NOTICE OF CLAIM/APPLICABLE LAW/VENUE

- A) If any claim for damages is filed with Vendor or if any lawsuit is instituted concerning Vendor's performance under this Agreement and that in any way, directly or indirectly, contingently or otherwise, affects or might reasonably affect SRTA, Vendor shall give prompt and timely notice thereof to SRTA. Notice shall be prompt

and timely if given within thirty (30) days following the date of receipt of a claim or ten days following the date of service of process of a lawsuit.

- B) Any dispute between the parties, and the interpretation of this Agreement, shall be governed by the laws of the State of California. Any litigation shall be venued in Shasta County.

15. FEDERAL CERTIFICATIONS AND ASSURANCES

- A) The Vendor shall adhere to the requirements contained in SRTA's annual Certification and Assurances (FHWA and FTA "Metropolitan Transportation Planning Process Certification") submitted as part of SRTA's OWP, pursuant to 23 CFR 450.334 and 23 U.S.C. 134. Failure to carry out the requirements of this paragraph shall constitute a breach of contract and may result in termination of this Agreement or such other remedy SRTA may deem appropriate.
- C) If Vendor proposed the contract project with Disadvantaged Business Enterprise participation, the Vendor will adhere to the stated participation rate unless otherwise agreed to, in writing, between SRTA and the Vendor for circumstances beyond the control of the Vendor.

Vendor will take all necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used when possible.

Affirmative steps shall include:

- (1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

In addition to FTA's Buy America Act, which requires that the steel, iron, and manufactured goods used in an FTA-funded project are produced in the United States (49 U.S.C. § 5323(j)(1)), the Build America, Buy America Act (BABA) (Public Law 117-58, div. G § 70914(a)) now requires that construction materials used in infrastructure projects are also produced in the United States. Refer to terms and conditions in FTA's Master Agreement Section 15. The BABA requirement applies to this grant, in addition to the Buy America Act, except to the extent a waiver of either requirements may apply.

- C) When using federal funds, Vendor will, for any contract of over \$30,000, abide by lobbying disclosure requirements, per compliance with 31 U.S.C. 1352. For contracts which exceed \$100,000, Vendor shall require the following language of this subsection to be included in all subcontracts.
- (1) By signing this Agreement, Vendor certifies, to the best of its knowledge and belief, that no state or federal funds have been paid or will be paid, by or on behalf of the Vendor, to any person for influencing or attempting to influence an officer or employee of any state or federal agency, a Member of the State Legislature or United States Congress, an officer or employee of the Legislature or Congress, or any employee of a Member of the Legislature or Congress in connection with the awarding of any state or federal contract, the making of any state or federal grant, the making of any federal loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment, or modification of any state or federal contract, grant, loan, or cooperative agreement.

 - (3) This certification is a material representation of fact, upon which reliance was placed when this Agreement was entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S.C. and by the MFTA between SRTA and the state or, alternatively, the grant agreement with the respective funding entity. Any persons who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and more than \$100,000 for each such failure.
- D) Vendor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § § 3801 et seq . and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to this Project. Upon execution of the underlying contract, the Vendor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the FTA assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, the Vendor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Vendor to the extent the Federal Government deems appropriate.

Vendor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1) on the Vendor, to the extent the Federal Government deems appropriate.

- E) Vendor is required to acknowledge the mandatory standards and policies related to every efficiency that are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321, et. seq.).
- F) Vendor acknowledges that it will not enter into contracts for over \$25,000 with suspended or debarred Vendors (Executive Order 12549; 49 CFR part 29). This contract is a covered transaction for purposes of 49 CFR Part 29. As such, Vendor is required to verify that neither itself, its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945.

By signing and submitting its bid or proposal, Vendor certifies as follows:

The certification in this clause is a material representation of fact relied upon by SRTA. If it is later determined that the Vendor knowingly rendered an erroneous certification, in addition to remedies available to SRTA, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. Vendor agrees to comply with the requirements of 49 CFR 29, Subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. Vendor further agrees to include a provision requiring such compliance in its lower tier covered transactions.

- G) Vendor will comply with appropriate Patent and Rights in Data requirements (37 C.F.R. Part 401 and 49 C.F.R. Part 18).
- H) Vendor will comply with 49 U.S.C. 40118 in accordance with the General Service Administration's regulations at 41 C.F.R. Part 301-10.
- I) Vendor, in accordance with 49 U.S.C. Section 5325(b)(3), will ensure that all federally assisted contracts and subcontracts including program management, architectural engineering, feasibility studies, preliminary engineering, design, architectural, engineering, surveying, mapping or related services must be performed (i.e. a Vendor cannot incur and invoice the agency any unallowable, unallocable, or unreasonable costs prohibited by the Federal Acquisition Regulations

(FAR) and/or the contract terms and conditions) and audited in accordance with FAR Part 31 cost principles. The Vendor, its sub-Vendors, and sub-recipients must accept FAR indirect cost rates for one-year applicable accounting periods established by a cognizant federal or state government agency, if those rates are not currently under dispute, and these established rates will apply for purposes of contract estimation, negotiation, administration, reporting, change order, options, and payments, not limited by administrative or de facto ceilings.

- J) Vendor shall at all times comply with all applicable Federal Transit Administration (FTA) regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Master Agreement between SRTA and FTA, as they may be amended or promulgated from time to time during the term of this contract. Vendor's failure to so comply shall constitute a material breach of this contract.
- K) Vendor agrees to comply with all the requirements of Section 6002 of the Resource Conservation and Recovery Act (RCRA), as amended (42 U.S.C. 6962), including but not limited to the regulatory provisions of 40 CFR Part 247, and Executive Order 12873, as they apply to the procurement of the items designated in Subpart B of 40 CFR Part 247.
- L) SRTA and Vendor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to SRTA, Vendor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.
- M) The preceding provisions include, in part, certain Standard Terms and Conditions required by DOT, whether or not expressly set forth in the preceding contract provisions. All contractual provisions required by DOT, as set forth in FTA Circular 4220.1E are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. The Vendor shall not perform any act, fail to perform any act, or refuse to comply with any SRTA requests which would cause SRTA to be in violation of the FTA terms and conditions.

19. ACCESS TO RECORDS/RETENTION

SRTA, federal, and state officials shall have, without charge, access to any books, documents, papers, and records of Vendor which are directly pertinent to the subject matter of this Agreement for the purpose of auditing or examining the activities of Vendor or SRTA. CPG Subrecipient Responsibilities for DBE include:

- Participation in the race neutral DBE Program when contracting/awarding to subrecipients or planning Vendors involving any fraction of federal Consolidated Planning Grant (CPG) funds.
- Participation in the race neutral DBE Program even if subrecipients have not contracted out work to sub-recipients or Vendors. They must also complete, sign and turn in the FTA DBE Uniform Report form, showing zero dollars. This information will provide necessary data for the federally mandated Caltrans DBE disparity study.
- Completion of the FTA DBE Uniform Report form twice a year: April 1st and October 1st. The DBE Uniform Report shows the federal dollar amount provided through contract/s as well as DBE participation in these contracts. This information will provide necessary data for the federally mandated Caltrans DBE disparity study and reporting to the FTA. The completed forms are sent to the appropriate HQ ORIP Liaison.
- Development and implementation of a DBE Program following the Caltrans DBE Program Plan, pursuant to the Master Fund Transfer Agreement, Article IV, Section 2. This Plan formally acknowledges the statutory and/or regulatory requirements with its race-neutral measures, and their commitment to comply with all the prescribed responsibilities explained herein.
- Development and maintenance of a Bidder's List, consisting of information about all DBE and non-DBE firms that bid or quote on CPG-assisted contracts. The Bidder's List includes the name, address, DBE/non-DBE status, age and annual gross receipts of firms.
- Inclusion of the following clause is required, verbatim, in each CPG-assisted contract:
 - The contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of United States Department of Transportation-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy, as recipient deems appropriate.
- Inclusion of contractual language specifying prompt payment clauses are required in the foregoing provisions. These prompt payment clauses benefit all subcontractors equally.

- **Prompt Progress Payment to Subcontractors**—A prime contractor or subcontractor shall pay to any subcontractor not later than 10-days of receipt of each progress payment, in accordance with the provision in Section 7108.5 of the California Business and Professions Code concerning prompt payment to subcontractors. The 10-day rule is applicable unless a longer period is agreed to in writing. Any delay or postponement of payment over 30-days may take place only for good cause and with the agency's prior written approval. Any violation of Section 7108.5 shall subject the violating contractor or subcontractor to the penalties, sanctions, and other remedies of that Section. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to the contractor or subcontractor in the event of a dispute involving late payment or nonpayment by the contractor, deficient subcontractor performance, and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

- **Prompt Payment of Withheld Funds to Subcontractors**—The MPO, RTPA or local government entity shall include either (1), (2), or (3) of the following provisions in their CPG-assisted contracts to ensure prompt and full payment of retainage (withheld funds) to subcontractors in compliance with 49 CFR 26.29.
 - 1) No retainage will be held by the agency from progress payments due to the prime contractor. Prime contractors and subcontractors are prohibited from holding retainage from subcontractors. Any delay or postponement of payment may take place only for good cause and with the agency's prior written approval. Any violation of these provisions shall subject the violating contractor or subcontractor to the penalties, sanctions, and other remedies specified in Section 7108.5 of the California Business and Professions Code. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to the contractor or subcontractor in the event of a dispute involving late payment or nonpayment by the contractor, deficient subcontractor performance, and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

 - 2) No retainage will be held by the agency from progress payments due the prime contractor. Any retainage kept by the prime contractor or by a subcontractor must be paid in full to the earning subcontractor in 30-days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment may take place only for good cause and with the agency's prior written approval. Any violation of these provisions shall subject the violating contractor or subcontractor to the penalties, sanctions, and remedies specified in Section 7108.5 of the California Business and Professions Code.

This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to the contractor or subcontractor in the event of a dispute involving late payment or nonpayment by the contractor, deficient subcontractor performance, and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

- 3) The agency shall hold retainage from the prime contractor and shall make prompt and regular incremental acceptances of portions, as determined by the agency of the contract work and pay retainage to the prime contractor based on these acceptances. The prime contractor or subcontractor shall return all monies withheld in retention from all subcontractors within 30-days after receiving payment for work satisfactorily completed and accepted including incremental acceptances of portions of the contract work by the agency. Any delay or postponement of payment may take place only for good cause and with the agency's prior written approval. Any violation of these provisions shall subject the violating prime contractor to the penalties, sanctions, and other remedies specified in Section 7108.5 of the California Business and Professions Code. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to the contractor or subcontractor in the event of: a dispute involving late payment or nonpayment by the contractor; deficient subcontractor performance; and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.
